COURSE ENROLLMENT

Course #	Course Name	Section #	Course Location	Course Dates

TYPE OF FUNDING (REQUIRED)

A Student Payment Agreement is required for all students. The Student Payment Agreement will indicate the tuition amount. Failure to submit a completed Student Payment Agreement may result in an academic record hold and prevent future enrollment.

If you are receiving any form of tuition assistance, please ensure that you complete any and all required funding source process documentation and meet all submission deadlines.

COURSE ENROLLMENT AGREEMENT PURPOSE

The Enrollment Agreement is a contract between you and APT College (APT) in that you sincerely wish to complete a course with the College. All fields must be completed in full. Incomplete Enrollment Agreements will be rejected. Student Payment Agreements are part of the Enrollment Agreement. This Enrollment Agreement is not effective until the College receives and validates your Student Payment Agreement, a sample is attached in Exhibit A. When completed and signed, the Student Payment Agreement and this Enrollment Agreement, will combine and represent your complete enrollment documentation into the course.

Students eligible for admission to APT College are working adults employed by major telecommunications and electric power companies throughout the United States. The College offers continuing education and degree programs to adult learners employed in these fields to support opportunities for career advancement. Students use employer tuition assistance funds to pay for their education. Students are required to submit a completed Student Payment Agreement. Upon completion of the course, students pay APT College after they have received tuition assistance funds from their employer. Failing students, or students who do not properly complete paperwork to obtain tuition funds from their employer are responsible for the entire tuition fee to be paid to APT College. Failing students are offered to retake the same course at no additional cost. If students withdraw from the course prior to completion, students are responsible for paying APT College for the percentage of the course completed in accordance with the published refund and cancellation policy. In the event that students choose to pay for their tuition and not use tuition assistance funds or because tuition assistance funds have been depleted for the current year, the refund policy outlines the percentage of tuition money due to students upon withdrawal from the course.

PAYMENT DEADLINES AND COLLECTION PROCEDURES

Failure to pay on time may result in a hold on receiving academic records and prevent future course enrollment. Students will be notified via email and/or paper statement of a financial balance approximately two weeks after the beginning of courses. If tuition remains unpaid, second notices will be sent approximately 45 days from the class start date and final notices will be sent at approximately 90 days. If after 120 days following the start of courses no arrangements have been made with the College, APT reserves the right to turn over delinquent accounts to an outside collection agency, and hold students financially responsible for all or part of any employer tuition reimbursement payments. Students with special payment arrangements are exempt from this policy.

CALIFORNIA STUDENT TUITION RECOVERY FUND

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies: 1) you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of tuition either by cash, guaranteed student loans, or personal loans, and 2) your total charges are not paid by any third party payer, such as an employer, government program, or other payer unless you have a separate agreement to repay the third party. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if either of the following applies: 1) you are not a California resident, or are not enrolled in a residency program, or 2) your total charges are paid by a third party, such as an employer, government program, or other payer, and you have no separate agreement to repay the third party. The STRF fee is non-refundable.

DISTANCE EDUCATION DISCLOSURES

If your program is not offered in real time, the College shall transmit the first lesson and any materials to you within seven days after the College accepts you for admission. You shall have the right to cancel this agreement before the first lesson and materials are received by you and receive a full refund. Cancellation is effective on the date written notice of cancellation is sent. If the College sent the first lesson and materials before an effective cancellation was received, the College shall make a refund within 30 days after the student's return of the materials. The College shall transmit all lessons and other materials to you after you have fully paid for the educational program and—after receiving the first lesson and initial materials—delivered to the College a written request of the remaining materials. If the College transmits the remaining materials to you, the College shall be obligated to provide other education serviced it agreed to provided, such as responses to your inquiries, student/instructor interaction, and evaluation of lessons submitted by you, but shall not be obligated to pay any refund after all lessons and materials are transmitted.
